Off-Scheduled Escrow Statement Dated: June 15, 2023

Why am I getting this statement?

In accordance with federal guidelines your escrow account is reviewed at least one time per year; however, certain circumstances may require an additional review. This statement is a result of that review known as an escrow analysis statement, which determines if sufficient funds are available to pay your taxes and/or insurance. This statement is a projection of your escrow account and may also include a history of the escrow activity on your loan since the time you last received an escrow analysis statement. The enclosed update follows notice of the account's involvement in a bankruptcy petition, filed on May 17, 2022 under chapter 13 of the Bankruptcy Code. This statement should be reviewed carefully. The mortgage payment may be affected. Please contact us at the number above if this account is not part of a Chapter 13 proceeding or plan. If this account has filed for any other Bankruptcy protection or received an Order of Discharge in a Chapter 7 bankruptcy case, or received any other discharge under the U.S. Bankruptcy Code that applied to the referenced property, please be advised that this Notice is for information purposes only and not intended as an attempt to collect a debt against you personally.

What does this mean to me?

Because your escrow account is projected to have less money than is needed, there is a shortage of **\$7,239.66**.

The monthly shortage for the next 60 months is **\$120.66** and will automatically be added to your monthly payment beginning **September 2023**. Your new monthly payment for **September 2023** will be **\$507.39**.

What is a shortage?

A shortage is the difference between the **anticipated** escrow balance and the **required** escrow balance at the beginning of the analysis cycle. A shortage typically results from changes in taxes and/or insurance. Please refer to the enclosed FAQ for additional information.

Anticipated escrow account balance (as of August 31, 2023):	-\$ 12,973.62
Escrow adjusted per Proof of Claim*	\$6,330.93
Required escrow account balance (as of August 31, 2023):	\$596.97
Difference resulting in an escrow account shortage:	\$7,239.66

*This amount reflects the adjustment made for the Bankruptcy Proof of Claim:

What is my new monthly payment?

The following table reflects your current monthly payment and new monthly payment:

	<u>Current Payment</u>	<u>New Payment with Shortage</u>
Principal & Interest	\$88.25	\$88.25
Escrow Deposit	\$266.84	\$298.48
Escrow Shortage		\$120.66
Total Payment	\$355.09	\$507.39

If your payment is issued by a third party, or if you make payments through a bill pay service, then please make sure your new total monthly payment amount is updated with your service provider.

Payment Change Breakdown

Below are the escrow items we anticipate collecting for and paying on your behalf over the next 12 months. To calculate your new monthly escrow payment of \$298.48, we added up the actual or estimated tax and insurance payments for the next 12 months beginning with the September 2023 payment and divided the total by 12. Included for the comparison are the Annual Payments we projected to pay during the **last analysis cycle**, as displayed in detail in the history portion of the escrow analysis statement.

Description	Current Annual Payment	Projected Annual Payment
Taxes	\$1,119.77	\$1,119.77
Insurance	\$5,990.00	\$2,462.00
TOTAL	\$7,109.77	\$3,581.77

Prior Year Account History and Coming Year Projections

This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure and projects payments, disbursements and balances for the coming year. The projections from your previous escrow analysis are included with the actual payments and disbursements for the prior year. By comparing the actual escrow payment with the previous projections listed, you can determine where a difference may have occurred. When applicable, the letter "E" beside an amount indicates that all or a portion of a payment or disbursement on that row has not yet occurred but is estimated to occur as shown. An asterisk (*) beside an amount indicates a difference from projected activity either in the amount or date.

Projections are included to ensure sufficient funds are available to pay your taxes and/or insurance for the coming year. Under Federal Law (RESPA) the lowest monthly balance in your escrow account should be no less than \$596.96 or 1/6th of the total annual projected disbursement from your escrow account, unless your mortgage documents or state law specifies otherwise.

Your projected anticipated lowest account balance of \$12,973.63- will be reached in August 2024. When subtracted from your minimum required balance of \$596.96, an Escrow Shortage results in the amount of \$7,239.66. These amounts are indicated with **LP**. You will receive an Annual Escrow Account Disclosure Statement reflecting the actual disbursements at the end of the next escrow analysis cycle. However, you should keep this statement for your own records for comparison. If you have any questions about this statement, please call our Customer Service Department toll free at **1-888-820-6474**.

ESCROW ANALYSIS BORROWER GUIDE FREQUENTLY ASKED QUESTIONS (FAQ)

What's an escrow analysis?

The Real Estate Settlement Procedures Act, "RESPA", requires servicers perform an escrow analysis at least one time annually. Any increase or decrease to your annual property taxes and/or insurance premiums may cause the mortgage payment amount to change. We provide details of the annual analysis in the Escrow Account Statement. The statement details the most recent escrow review. You may receive more than one analysis in the year. There are a number of reasons for an interim escrow analysis. The most common reasons are:

- The loan was acquired from another servicer.
- A material change to insurance or tax amounts due.
- Changes which occur after closing.
- Change in Tax or Insurance due dates.

How is the required escrow beginning account balance determined?

The required beginning escrow balance is made up of a cushion plus any prorated taxes and/or insurance needed to fulfill the anticipated disbursements for the next 12 months.

Why did the monthly escrow payment change?

The monthly escrow payment is comprised of 1/12th of all anticipated annual disbursements. If there is an increase or decrease in the annual tax and/or insurance amounts the monthly escrow collection will change. Please refer to the escrow analysis for a more detailed explanation of the disbursement amounts.

What's an escrow cushion?

An escrow cushion is the amount of money set aside in the escrow account to cover any unanticipated costs such as an increase in property taxes or insurance premiums and prevents the escrow balance from being overdrawn. An escrow cushion is held unless the mortgage documents or state law directs otherwise.

If the escrow account has a surplus when will I receive the overage check?

If the escrow analysis resulted in an escrow surplus greater than \$50.00 and the account is not more than 30 days past due (per RESPA, current is defined as the servicer receiving the borrower's payments within 30 days of the payment due date), has not been referred to foreclosure, and the account is not in bankruptcy at the time the escrow analysis is performed, an escrow refund check will either be included with the escrow analysis statement or sent under separate cover within 30 business days. Any surplus under \$50.00 will be adjusted from the monthly escrow payment.

How do I remove the escrow account?

Please contact customer service to request a review of the loan for escrow waiver eligibility. Please be advised that investor requirements may not allow the escrow account termination.

How did you calculate the new escrow payment?

We list all possible disbursements or expenses such as property taxes or insurance premiums to be paid on your behalf for the next 12 months. We take the total and divide the amount by 12 payments. Total anticipated disbursements divided by 12 payments equals the Monthly Escrow Payment. Due to changes in property taxes or insurance premiums, it is possible the escrow account could end up with a balance which is less than the target cushion amount. This is referred to as a "Shortage". Any shortage

of funds in the escrow account will be determined at the time of the escrow analysis. Additionally, it is possible the escrow account could end up with a balance which is greater than the required cushion amount. This is referred to as a "Surplus".

If I want to send in funds to the escrow account, where do I send the payment?

You may direct a deposit of any amount solely to the escrow account using our pay by phone service, or Website. There may be fees associated with these payment services. You may also send in additional funds to escrow by mail. If by mail, then be sure to write the loan number on your check, specify "ESCROW application" on the memo line and mail to:

P.O. Box 371867
Pittsburgh, PA 15250-7867
Overnight mail: Attn: 37186
500 Ross Street 154-0470
Pittsburgh, PA 15250.

Once the escrow funds are received, the monthly escrow payment will be adjusted within 10 business days of posting.

Please be advised, if the escrow analysis discloses a shortage greater than one month's escrow payment, PHH cannot and does not require repayment of this amount and, instead, PHH has spread any shortage across the monthly escrow payments.
